

For Immediate Release Ron Capps Making Pit Stop at J-Tech

JACKSONVILLE – NHRA (National Hot Rod Association) Funny Car Driver Ron Capps will be making a pit stop at J-Tech on March 13th on his way to the Gatornationals in Gainesville. J-Tech will be holding a meet and greet from 12:30 pm-3:00 pm. Ron Capps will be available for autographs and photo opportunities. This event will be open to the public.

In 2013, Ron Capps won 3 NHRA Mello Yellow Series Funny Car event titles. Capps is led by Crew Chief Rahn Tobler and assistant John Collins and is one of the only 15 drivers who own NHRA event victories in both top Fuel and Funny Car. This is Capps' 10th season driving for Don Schumacher Racing and seventh in which NAPA Auto Parts is his team's primary sponsor.

“We're excited to have Ron Capps on campus. Without the assistance of Darryl Coxworth of NAPA Auto Parts it would not have been possible. This event showcases the power of industry partners working together,” said President Gregory H. Jones.

J-Tech is NAPA's first and only educational partner. They are front and center when you visit J-Tech. Future students will feel and see the partnership when walking the halls, stepping foot in the labs and every time they reach into their tool sets. John Westbrooke with Carlyle Tools by NAPA says, “J-Tech and NAPA have a great relationship. We're excited to be a part of this unique collaboration with a vocational school. I know it will bring great things for us, J-Tech and the community.”

About J-Tech

J-Tech is a member of the Compass Rose Foundation Integrated Education System, a 501(c)(3), Non-Profit Organization. J-Tech is an institution of higher learning with its specific focus on shorter-term Diploma and Occupational Associate Degree programs training students in high-demand trades including Automotive Technology, Diesel Technology and Commercial Truck Driving.
