

For Immediate Release
J-Tech Receives Approval For Full Accreditation

JACKSONVILLE – On February 20, 2014, Jones Technical Institute (J-Tech) received its Branch Campus Accreditation from the Accrediting Commission of Career Schools and Colleges. In addition, J-Tech received its approval to offer Occupational Associate Degrees in Automotive and Diesel Technology. J-Tech is now a fully accredited vocational institution!

J-Tech is awaiting confirmation from the United States Department of Education that it can participate in the Federal Student Aid programs. Once J-Tech has confirmed that its students will have the ability to apply for federal financial aid, it will begin enrolling students in their Commercial Truck Driving, Automotive Technology, and Diesel Technology programs.

About J-Tech

J-Tech is a member of the Compass Rose Foundation Integrated Education System, a 501(c)(3), Non-Profit Corporation. J-Tech is a vocational institution of higher learning, whereby its focus will be shorter-term Diploma and Occupation Associate Degree programs training students in high-demand trades including Automotive Technology, Diesel Technology, Heavy Equipment Repair, and Commercial Truck Driving. More information can be found at www.jtech.org.

About Compass Rose Foundation

The history of Compass Rose Foundation is one of constant evolvement. For decades, CRF has founded, governed and operated private institutions of higher learning. A review of our landing page, www.compassrosefoundation.org, will evidence our ever-evolving, but longstanding commitment to the higher education community.
